Results at a glance:

Particulars	Q1 FY 25 (Rs. Cr)	Q1 FY 24 (Rs. Cr)	YOY %
PAT	3.32	1.28	158.3%
EBIT	2.93	3.65	17.4%
Turnover	84.82	75.86	11.8%

Commenting on the results, **Mr. Akhilesh Chitlangia, Managing Director and Chief Executive Officer, Duroply**, said, *"We are pleased with our robust growth in the first quarter this year. This period was challenging due to heat waves, labour shortage, and disruption due to the general elections. Our decision to infuse liquidity by raising our equity has given us enough headroom to grow on various parameters and drive margin improvement in the mid to long term."*

On profitability contraction, Mr. Chitlangia added, *"We are investing to expand our team and infrastructure to better serve our customers. This investment will bear fruits in the coming quarters. The industry continues to face inflationary pressure but our 68 years of insight has helped us navigate the tight margin environment effectively helping Duroply maintain its profitability."*
